## SINGLE NOZZLE BIDET TOILET ATTACHMENT

**WS-11**

Brondell's Rinslet Bidet Attachment mounts under your existing toilet seat and provides an easy and affordable way to wash with water. Powered only by your home's water pressure, this bidet attachment is totally non-electric and features a hygienic retractable single nozzle with nozzle guard. The Rinslet bidet attachment has a sleek, thin design that fits nicely under your toilet seat with no gap between the seat and toilet rim, and with a quick turn of the control knob you can adjust the wash pressure to your comfort each and every time.
